

THE GREATEST BOOK OF THE YEAR.

Morgan's History of the Agricultural Wheel and Farmers' Alliance.

A Book of 774 pages, handsomely bound and printed in elegant style. Agents wanted in every county in North Carolina, South Carolina and Virginia.

THE PROGRESSIVE FARMER is general agent for the sale of this great and valuable work in these three States. We want one or two active, energetic, working agents, in each county who will work to sell it. We want those only who are thoroughly reliable and who can and will go from house to house, and especially among the members of our order and show them the book. Its price is only \$2.25!

It is endorsed by the leading men of these great orders, and is just what is claimed for it. No farmer, no wealth-producer, no business man, no patriot, no voter can afford to be without it. Every Alliance man in America should buy it, read it, and study it. If we would correct the great evils and wrongs that are crushing the energies and spirit of the people, we must understand them and do this we must inform ourselves. This can be done in no way so readily, so correctly and so cheaply, as by reading our own literature. To those desiring to act as agents: Write us at once, giving your full address and send us the endorsement of the officers of your Subordinate and County Alliance, as to character and fitness. Do not write us without such endorsement. We will send full information to all such applicants with terms, etc. Apply at once that you may have the advantage of the winter months in your work.

We will mail the book, post-paid, to any address within these three States for \$2.25, the regular retail price of the book.

We will send a copy of the book to any one who will send us a club of twenty-five new subscribers to the PROGRESSIVE FARMER and twenty-five dollars.

The sales of the book have astonished the author and publisher. It is just the thing that the farmers need and they buy it.

President Macune, President Jones, President McCracken, Capt. S. B. Alexander and other leading men endorse it in the highest terms. It is the work of 15 years of hard labor on the part of Bro. Morgan and is worthy a place in every library in the country. Address, PROGRESSIVE FARMER, Raleigh, N. C.
